

INTERACTING MINDS

Invitation to Workshop and Centre Opening

Date: August 24, in Nobelsalen, room 123, building 1485, Aarhus University.

Aarhus University has established the Interacting Minds Centre as a new interdisciplinary initiative, 2012-16.

The Centre brings together researchers from all four main academic areas in experimental studies of cognition, communication and choice.

At the same occasion, we also mark the end of the *Niels Bohr visiting professorship* to Chris Frith, the *Aarhus University Research Foundation visiting professorship* to Uta Frith and of the *Interacting Minds a Biological Basis* project.

Participation is free and open to all, but registration is kindly asked before August 20. Please use the webshop: https://webshop.dpu.dk/Workshop_deltagelse
